To receive a grant a school or program must enroll 1) at least 40% students identified as historically underserved

- Combined Underserved includes the following: Students eligible for Special Education, Students with Limited English Proficiency, Students eligible to receive free meals by Direct Certification, Students with any of the following races, ethnicities, or ancestry: Black, Latino/Hispanic, Native American, Pacific Islander.

and 2) at least 15% students eligible for free meals by direct certification. Using just two data points enables us to identify the schools with the greatest need for an award and provide clear transparency.
